ARTEMUS WARD'S HOME.

Where Humorist Was Born,

Waterford, Me., the birthplace and boyhood bome of Artemus Ward, is about fifty miles north of Portland and half a dozen miles from the nearest railway station. Waterford village is a comfortable, sleepy little place, whose homes cluster around a small, tree The houses are shadowed common.

steed. Sharatz, sword in hand, he will gather the Serbians about his bane and sold ead them against the Turks. In November, 1912, the Serbian in share the special flaters among say they plainly beheld him in their of Pulip.

The kingdom of Serbia lies just to first the flaters and a mounted on the south of Austria-Hungary, the Danube forming the boundary line. It is of Pulip.

The kingdom of Serbia lies just gould word with the state of Pulip.

The kingdom of Serbia lies just for the flaters and sold quilts. The with a carried and sold quilts are the strained on the cast by Rumania and Bulgaria and on the south by Greece. The greater part of the forntiers, between the first many to the effect that the French and ends and sold and left her child with her place at the state of the property and more real, even though intervention. The German Minister presented a memorandum in "romaly intervention. The German Minister to dispose me from the presidency. The stating and words of their fremelly intervention and elouding the boundary line. It is only fair to close a notice of the baby. These were years which even Dr. Shaw's hardihood does not built to look back upon Life had degenerated into a treadmill of monotogen by rocken only by grim messages from the forn. Still she cherished the deam of college.

The greater part of the forntiers, because the determined, and the will be added the the property and more real, even though intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The German Ministers presented a memorandum in "romaly intervention. The strain many intervention. The forn

He was a bright ter campaign. a vein of wit that all the Browns Cyrus, his brother, he was pretty cute,

"Artemus died in England on March 6, 1867, and the will is dated February 23 of the same year. It is not the extraordinary document that the popular !magination pictures, and its most inter-esting portions are these:

"'I desire that my body may be burne in Waterford, Me. I give the library of books bequeathed to me by my late Uncle Calvin Farrar and those that have been added by me to the boy or girl who at an examination to be held between the first day of January and the first day of April immediately succeed-ing my decease shall be declared to be the best scholar in Waterford Upper Village, such scholar to be a native of that last mentioned place and under the

age of 18 years. toward forming a fund for the founding of an asylum for worn out printers in the United States, and I direct that the same be paid to Mr. Horace Greeley of

New York.

"Whatever personal property the humorist had in his possession in England at the time he died mysteriously disappeared, but a few thousand dollars. were realized on his house at Yonkers. This went to children who were relatives in his home town. His mother had enough property to supply her own sim-ple wants as long as she lived."

FOREIGNERS IN OUR SCHOOLS

Students From Orient and Latin America Come Here.

The centre of the world's trade to shifting be se of the war, and so are the centres of learning. Where students used to go to Leipsic, Jena o Chicago and Columbia. New York, Chi cago and Buenos Ayres are becoming America and the Orient.

Fully five thousand of these young men from abroad are already enrolled in the colleges and universities of the United States. They represent practi-cally every one of the twenty-one Latin American republics, the Philippin ands, China, Japan, India, Turkish Empire and many European nations. Over three hundred have regis-tered in the University of California, nearly as many in New York, Philadel-
